

Since 1991

Greetings and Namaste from the land of spirituality and natural beauty!

After proudly serving for 35 years at the SAARC Secretariat in Kathmandu, I concluded my administrative journey in December last year. As the saying goes, *"every ending marks a new beginning,"* and I am excited to share my new chapter with you.

Travel has always been more than a **passion** for me. It has shaped my worldview, created lifelong connections, and now, it offers me the opportunity to serve in a different yet **meaningful** way.

Founded in **1991** by my father, **Mr. Shivanath Lamichhane**, United Tours and Travels (UTT) has been a name synonymous with trust, professionalism, and commitment to service. My brother-in-law, **Mr. Sudarshan Gautam**, has led the company with dedication since 2000. I have taken on the responsibility of **Managing Director** with the aim of honoring our legacy while preparing UTT for the future from 01 Baisakh 2082 B.S. (14 April 2025).

Founder Shivanath Lamichhane, with:

Reinhold Messner, the Everest Summitter who climbed Mt. Everest without oxygen in 1978.

Hollywood actor **Tom Selleck**, 1994

The extensive network I've cultivated over the years — both locally and internationally — gives me a strong foundation to build upon in this new venture. With a deep understanding of service and hospitality, I am committed to elevating UTT's reach and reputation in the travel industry. Some of my most meaningful experiences have come through travel — from the serenity of Rara Lake to the spiritual calm of Khaptad and the striking wilderness of Shey Phoksundo, to the iconic Annapurna and Everest Base Camps. They also reaffirmed my belief that travel, done right, can be transformative. An avid traveler myself, my vision for UTT is grounded in providing reliable, tailored, and enriching travel experiences.
